

Supporters of Cranbrook Football

Next Saturday 13th June is Round #6 of the CAS and IPSHA Football Competitions. Congratulations to the 10B's, 8A's and 6B's who recorded victories last Saturday.

I wish all players, coaches and managers the very best in their Round #6 fixture.

Win, lose or draw you must finish a game knowing that you contributed 100% effort for your team mates and that you displayed respect for the opposition and officials at all times.

Good luck and enjoy the day!

Team lists will be posted on the sport notice board on Level 2, and emailed to players next Thursday 11th June.

Please visit the Football page on Cranbrook Connect for further information regarding the season

Changes to training Week 7-9

- Week 7 (Tomorrow) - Friday 5th June – TRAINING CANCELLED FOR 9C, 9B, 9D, 8C, 8D, 8E, 7C, 7D, 7E & Year 7/8/9 Players Club
- Week 9 - NO TRAINING FOR YEAR 3-12 in WEEK 9 (Last Week of Term)

Save the Date

Cranbrook Football Gala Dinner will be held on Friday night, 14th August 2015, @ Doltone House, Pyrmont 6.30pm start.

Please diarise the date. More details will follow later in the season.

Tottenham Hotspur visits Cranbrook School

On Thursday 28th May, several Academy coaches from Tottenham Hotspur FC visited Cranbrook to deliver two coaching sessions at Dangar. The first session was a coach education session involving the U15 Bill Turner Cup team from Endeavour Sports HS and coaches from NSW Premier League Clubs in Sydney. The second

session was a Year 3-6 Coaching clinic for Cranbrook boys. It was a fantastic afternoon of football and in addition to the outstanding work of the Tottenham coaches, I would also like to thank Paul Reid, the Community Football Officer from Sydney FC for organising the visit.

Jack McLoughlin – 8A

Steven Sohn – 8A

Congratulations to Jack McLoughlin and Steven Sohn from the 8A who have been selected in the ESFA Metropolitan East U14 team to compete at the NSW State titles at Valentine Sports Park on 29 June – 3 July.

Joe Rossi (4ths)

1st XI

Last Friday night the 1st XI had the privilege of playing under lights out at Knox's main playing field. There was quite a bit of hype about the game, as many had not had the experience of playing under lights before. The temperature was perfect for football, but the pitch a bit moist and so the boys needed to adapt.

For the first three quarters of the opening half the boys were able to keep the level scored at 0-0. Knox's midfield was very impressive, however defensively the boys were able to keep things under control. The boys didn't seem to be flowing as well as they had against Trinity the week before, with passes not going to feet. Knox took advantage, scoring their first goal by penetrating the back four and finishing in style. The momentum stayed with Knox and they were able to score just before half time.

The second half had the Brook boys a bit more geared up, with a far more aggressive side gracing the pitch. However the passes still didn't flow and Knox capitalised, scoring 4 goals in close succession. The boys have the weekend off this week, but will be working hard for their last games of the term: Barker and Aloys.

2nd XI

The 2nd XI played their first ever 'Friday Night Lights' football match vs Knox, and the game was worthy of the occasion. The team was boosted by the return to the starting line-up for Harvey Billingham and Theo Burns, and the team sensed that

maybe we could ruin the special night for the Knox boys. The game kicked off and Knox got on the front foot, having multiple chances but true to Cranbrook nature, the team was working their socks off. Unfortunately a sloppy foul coupled with miscommunication off the free kick cost us, as we went 1-0 down. However, it was not long after until a corner swung in by Alex Conrad came to Oli Adler, who bagged his first of the season with a sweet left foot volley. The goal came just before half-time and Cranbrook had the momentum. Unfortunately Harvey went down with an injury and this resulted in a slight re-shuffle at the back, with Alex Gall making his debut and fitting in perfectly. Waves of Knox shirts constantly piled on the Cranbrook defence, but they couldn't break through, leaving the full time score at 1-1. Against the top of the table side, it was a tremendous performance from the team and they left with their heads held high.

3rd XI

The 3rd XI played a highly competitive match that flowed from end to end. Excellent strength and determination kept the game very even. High intensity pressing from Simeonides and Georgas helped unlock the midfield, while Rael controlled ball distribution beautifully. The back 4 frustrated the Knox attack, playing a firm line that held the opposition offside, until a decision allowed Knox to break through and score the only goal of the match.

We created plenty of opportunities throughout the game, with Rael coming close on several occasions. It was an exciting

game to watch, with plenty of feeling out on the field. The return round will be an exciting encounter, and Cranbrook looks to balance the ledger.

4th XI

Cranbrook IV went on the field with a positive and focused attitude this week against Knox. Early in the first half, the Cranbrook's strong defence and forward movement of the midfield began to frustrate the opposition. A very close half saw opportunity from both teams with several unlucky scoring shots from Cranbrook that created anxiety in the Knox defence. They went into the break and it was still 0-0. In the second half a break in defence saw Knox get an early goal. The Cranbrook boys didn't give up, working hard in defence and applying pressure through both the middle and down the wings, it was looking like they were going to get one back and even up the score. Several impressive attacking Cranbrook scoring shots just missed the back of the net. 2 minutes before full time Knox scored a second goal with what looked to be an impossible long shot. The game ended 2-0. All players should be congratulated on their defensive and attacking performances. It was a tough and even game and the Cranbrook boys were unlucky to go down by that margin.

10A

The boys went out with their heads high despite the freezing weather. We had great control over the ball in the first half though unfortunately we let a goal easily

Joe Rossi (4ths)

Daniel Siu (4ths)

Daniel Siu (4ths)

Daniel Siu (4ths)

slip past us. We had many chances brought by Matthew Abelev and Julio Betar, with two scoring shots that just swept past the crossbar. By full-time the score was 3-0 to Knox. After learning from our mistakes, we looked forward to the future and our next game.

10B

The mighty 10B's game remained strong and undefeated after the game against Knox, the apparent strongest opponent throughout the CAS schools. Special congratulations to Tim Messenger who scored a phenomenal half volley with the assistance of Dominic Au-Yeung who crossed the ball from the right wing position into the box, and to Charlie Thaxter who scored a goal 1 v 1 against the goalkeeper to secure our winning position. However, the results wouldn't have been the same without the defenders marking

incredibly well and effectively throughout the whole game, special mentions to Jean-Claude Zust who stepped up from the C's and gave us a hand in this splendid victory. Keep up it boys!

10C

Last weekend, the 10C's played Knox Grammar School at Curagul. We all knew it wasn't going to be easy, plus we were down a few players, however some players from the B's stayed after to assist. The game started with some great play from our midfielders and forwards before a quick pass up the field, which allowed Tim Messenger to score a fantastic goal from the corner. Fighting up against a strong attack side, we unfortunately let 2 goals through. However, in a last ditch effort, we were able to equalise the score with 5 minutes to go with another goal from Tim Messenger. Overall, everyone gave their most and it

was an enjoyable game.

10D

The 10D's got off to a rough start in the first half, conceding a goal early on. As the first half progressed, our defence strengthened – with Anthony Stamell and Declan Morgan clearing the ball in dangerous situations. In the midfield, Daniel Walters was able to slide past defenders but we were unable to push the ball close enough to score in the first half, however Lachlan Kennard had an impressive shot, which unfortunately hit the crossbar – and another shot was taken by Tom Edwards who hit the crossbar.

The second half displayed the 10D's defensive capabilities, where one very unlucky goal was conceded, however in the counterattack the 10D's managed to score one for themselves, with Daniel Walter getting around the defenders and

THURSDAY 4 JUNE 2015

TERM 2 WEEK 7

TERM 2 WEEK 7

8As and 8Bs - Knox V Cranbrook

8As and 8Bs - Knox V Cranbrook

shooting from inside the box. For the rest of the game the 10D's were able to defend anything Knox threw at them, and for the rest of the game both teams had their defences locked down.

9A

It was an overcast Saturday morning at Dangar for the 9As game at 8:00 against a very strong Knox outfit. The boys began the day with some sharp warm ups, and then the game was upon us. Instantly the Knox boys showed their class, an early warning shot within the first minute of the game. A couple of minutes later Knox had their first goal, a result of the boys diving into tackles at crucial times. There was another goal before the break, 2-0 at half time, the Cranbrook boys still positive that they could get something out of the game. However, in the second half Knox piled on 3 more goals, the score at the full time whistle 5-0. The 9As will look to build on the progress that they have had over the season and come back strong after the long weekend.

9B

This weekend, the 9Bs were matched up against a strong Knox team. After playing a tremendous first half, the B's were unlucky to concede a goal early in the second half. After this, our team lowered their heads and stopped playing 100%. Our attitudes changed and we were severely penalised for it. Some highlights of the game were Carl Yan's diving saves Robbie McHugh's great defence and Ollie Wills sideline runs. By the end of the game the score was

3-0 Knox's way. Saturday's game was less about our physical ability but about our sportsmanship and attitude. To keep the remainder of our season successful, we need to improve on the mental part of our game

9C

The 9C's really put in today with a great outcome against one of the leading teams. It was nil all going into half time and spirits were high to get the first goal. Unfortunately Knox scored the first with an unlucky last touch right in front of the goal. Luckily we got right back on them with a spectacular goal from Liam Corr who hit it first time from half way. The end result was 1-1 and that was a great result for the team against the tough opposition. We have next week to prepare for a game in 2 weeks. A great game which has boosted our confidence.

9D

Today at Dangar the 9 D's gave it their all as they faced the tough opponent of Knox Grammar School. Cranbrook started with a bang running down the left side of the field and almost scoring but from then we were kept in our defensive half with Knox taking countless shots. It was still scoreless at halftime and Knox continued to dominate our half. Our defence stayed strong with Harrison Selby and Tom Corr clearing shots and crosses out of the box. Harry Parker throughout the game kept a clean sheet with many great saves. Cranbrook had a final run down the line on the last minute but failed to score. The final score was 0-0 and the man of the match went to Harry

Parker for his excellent keeping skills that saved our team multiple times.

9E

Last Saturday the 9Es played Knox in what was to be a very hard match. The game started well, with some good play in the midfield and some nice skills on the left wing. However, our clearances were lacking, and this allowed the opposition to assail our goalie Callum Hardingham with shots. Callum produced some lovely saves, but the sheer amount of shots they had were too much, and we unfortunately went down 0-5. Next week, we hope to work on our clearances and positional play in order to try and get a better result

8A

IT was a hard fought 3-2 victory for the Cranbrook year 8A team. The match was hotly contested for the first 15 minutes until Cranbrook scored. It came with skilful build up play and was sweated into the bottom right by Steven. Unfortunately Knox scored next. After half time Cranbrook went back on top with a corner that was beautifully caressed into the goal by Dominic. Again Knox punched (Literally) hard, and in a scramble inside Cranbrook's 6-yard box Knox managed to put the ball past the goalkeeper. However not before time a penalty was awarded against Knox and was slotted calmly away by Steven.

8B

We had a great start with Charles Turnbull scoring 2 goals for us, one of which being a

8As and 8Bs - Knox V Cranbrook

8As and 8Bs - Knox V Cranbrook

8As and 8Bs - Knox V Cranbrook

8As and 8Bs - Knox V Cranbrook

fantastic free kick over the oppositions wall and into the top of the net. The opposition took the lead making the score 3-2 despite our strong efforts. With James Beattie and Alex Randall running the two wings we managed to even the score from a cross to Max Hannam who put it in the goal. Unfortunately Knox came out with 2 more goals and we struggled to score again, even though we all put in our best efforts Knox had the better the hand in the end.

8C

In the first half the boys had a rough start. It was good play but Knox managed to score a goal within the first 10 minutes. Cranbrook put their war faces on and started the battle. The Knox player came in across goal but they failed, then came again but failed again. Cranbrook was feeling good about this but Knox wasn't. Knox gave it one more chance and this time it

worked. Their player booted it up the field, their striker picked it up and shot. A third goal straight after brought it to 3-0 at half time. In the second half Cranbrook and Knox were both fighting for the ball. Knox couldn't get through and neither could Cranbrook. There were no goals scored and the score remained 3-0. Cranbrook took the beating and they will train more during the week to improve.

8D

Despite the loss, this was a strong game from the 8Ds which left the team feeling pumped. Jacky showed he was keen on the outside with numerous runs up the left side early on. Unfortunately a defender or the keeper thwarted him on several attempts. Knox's first goal sailed past Sam's reach after 15 minutes. Towards the end of the first half Knox received a penalty after a Cranbrook handball in the box – Sam

faced up, saving not one, not two but three penalties! Jacky finally got one past the keeper in the final minute of the second half to level the score. In the second half, Sam was again on fire, saving many more potential Knox goals. Unfortunately Knox scored two more and Cranbrook was unable to fight back – the final score was 3-1. The 8Ds played really well as a team with notable performances from Joseph and Will on the right side and Wales in the back. Things look promising for the next round.

8E

The 8Es was without a keeper this week so Simon and Xander stepped up, playing a half each. They both did a great job – Knox got two in early but Cranbrook fought back and didn't concede any more goals for the rest of the match. Forwards Benji and Zac had some good runs up front but once again couldn't manage to convert

any opportunities. The second half was very even with some great work by Oli in defence and some good passing through the midfield. The boys should be proud of this solid effort against a tough team.

7A

Saturday witnessed one of the most intense, exhilarating football matches ever played on the Curagul fields in Turrumurra. Both teams were evenly matched in skill and determination and all involved gave 110%. Cranbrook was the first to score via a length of the field play from goalie Paul Moritz-Busch to Robert Fraser to Oliver Flynn, who scored a fantastic goal over the head of the keeper. Another quick goal by Lukas Hannam put the fear into Knox, who had turned up expecting an easy win. The second half saw no lesser intensity from either side. Knox recouped their losses with 2 goals capitalising on some uncharacteristic Cranbrook complacency. Just when a draw seemed apparent, and to the spectator's grief, Knox scored with 30 seconds remaining. However, in a testament to the passion of the team, Cranbrook regrouped, won a corner and with the whole team crammed into the goal box, Yianni Theodorakopoulos managed to get a header in, in the dying seconds. The crowd exploded, backs were slapped all around, there was much anticipation for the rematch in Round 2 and football won on the day.

7B

Unfortunately the 7Bs began Saturday's match on the back foot and did not have the opportunity to recover. A low turnout, affected by winter sickness, was compounded by members of the squad who simply did not turn up. Thankfully Jermaine Cyprien, Tony Jin, Hugo Moses and Luke Schwirtlich from the 7Cs selflessly stepped up to stay behind and assist. The game itself was a challenge-Knox are historically a very strong side with a lot of depth. Goal-keeping by Oliver Ferster was consistent but could not stem the tide. Alex Van Vugt made some good runs but could not capitalise on the momentum. The team should be commended for their positive attitude in difficult circumstances and I hope that all

members will pull together for the next away match.

7D

Knox were very strong in attack and we pushed them back many times. However, they ultimately managed to break through. Marcus was terrific in goal saving many shots, sometimes consecutively. Jermaine and then Ollie took over in goals in the second half, each displaying enormous

courage and determination. We noticed that Knox were communicating more and hope to start talking more on the field. Late in the second half Lachlan McGregor scored a brilliant runaway goal, which was greeted with much applause from the parents.

7E

The 7E's struggled against a well-disciplined team from Knox. Knox were well organised

THURSDAY 4 JUNE 2015

TERM 2 WEEK 7

in attack and defence, countering our attempts to evade them. Jack made some terrific saves in goal, while Thomas and others were determined to be a fortress of strength in defence. We held on well in the first half only conceding 2 goals despite being 2 players short. The second half saw Knox score more freely. A special thanks to Vas, Hugo and Aengus who played additional time with the 7E's to substitute for some tired legs. Despite the loss, we had fun and enjoyed the game.

6B

What an enjoyable game to watch. Play went from one end of the field to the other. There was great defence from both teams with our backs, Damien Norris, Massimo Stillone, Sam Davey and Ralf Burke working hard and stopping their attack getting close to our goals. Our mid field never stopped running or tackling. Cranbrook led 1-0 at half time with a terrific goal from Michael Younes Nakhle. The second half proved just as exciting with Central Coast scoring mid-way through the half. Our second goal was a determined individual effort from Will Tarrant. A special mention to all boys who played very well for the Central Coast who were short a number of players. hand up so we get a penalty. Kian Tavakoli, despite the pressure, places the ball into the right hand side with confidence. The final score was 3-3 and man of the match goes to Zach Serafim.

9E

The 9E's had another tough game against Trinity this week. Our goalie Callum was unlucky and copped a boot in the face which had him out from 1/2 way through the first half. We are grateful that Archie donned the gloves and to his credit he saved a number of goals yet the opposition had good momentum and we struggled to keep up with their pace. Next week we will focus on our team play and are hopeful to unite as a team and continue improving our skills.

8A

The 8A's had a good match against Trinity last Saturday. It was a tight and tough game but unfortunately we ended up losing one-nil. The game was played with high intensity throughout the entire match. In the first half we did not create many chances and our defence and goalkeeper

played exceptionally well throughout the game. In the second half Trinity dominated us and kept the game in our half and eventually they scored 10 minutes from the end. There were only few minutes from the end when we created a chance to score but we did not seize the opportunity and unfortunately we lost one-nil. Thanks to Max Hannam and Charles Turnbull for stepping up and filling in for injured players.

8B

The team started well against a strong Trinity side that had height against us. We managed to keep it to nil all at half time which was a really good effort. Alex Randall took some big hits but was great in defence. Connor Stratis played up and was also really valuable for the team. Max Hannam had another strong game and Carter Nicklin is improving every game as goalie. Unfortunately the second half saw us tire and lose focus which allowed Trinity to score three goals in quick succession. We know we need to keep on working on fitness and putting more pressure on the opposition team when they have the ball.

8C

The game against Trinity was like a battle between two armies. Trinity kicked off and straight away they started piercing through our armour. Cranbrook tried their best but they couldn't stop them and Trinity scored almost immediately. Cranbrook had a couple of good shots but the Trinity defence was good. In the second half Cranbrook kicked off and started getting Trinity's half. In the last 10 minutes the Trinity goalie kicked the ball to half way and one of their players got the ball and made a run and scored again. The game finished at 2-0 their way. The great army has been defeated.

8D

This was a tough match for the 8Ds. Trinity had scored in the first couple of minutes of the game, and they didn't let up, scoring six in each half. Despite some excellent runs by Jacky and James, Cranbrook couldn't convert any opportunities. Alif was valiant in goals but struggled to defend some of the beautiful chips that soared into the top corners off Trinity boots. Cranbrook defence was again strong but breakaway goals were the problem for us as we just

couldn't get back fast enough. There is a lot to learn from this match and the 8Ds will be sure to improve against Knox next week.

8E

Cranbrook found it difficult to score against a strong Trinity side. Within 2 minutes they had scored and two more came at 10 and 12 minutes. Despite some great saves by Sam in goals, we were no match for their strong strikers who capitalised on every chance, particularly in breakaways. Things didn't let up in the second half and the final score was 8-0. Areas of notice were the multiple times Cranbrook pushed up to Trinity's goal but couldn't get the ball in the net. Also noticeable was that one Trinity striker scored six of the eight goals. Cranbrook will definitely have to step up their game for the next match.

5B

This proved to be a lop-sided fixture and Cranbrook were well beaten by Mosman. We didn't hold shape for the majority of the game and the goals constantly trickled in. It seemed as though we had 10 forward players and no defence. It will be a good lesson for the team to be more conscious of holding position, communicating and working as a unit.

5C

A very shaky start from Cranbrook put us on the back foot for the first 10 minutes of the match. We went down 0-1 to a greatly worked Mosman attack.

The goal seemed to wake 5C up and from there on it was all Cranbrook, the boys produced long spells of possession and great movement of the ball and were unfortunate not to score before half time. The second half continued with the same Cranbrook pressure. Saul Galambos scored the most sublime goal, after running the ball from the half way line he belted the ball home to score 5C's first goal of the campaign. With the goal, Cranbrook were really piling on the pressure on Mosman, Axel Droga was unfortunate not to score after he had a great individual run and shot cleared off the line. With so many players attacking we were nearly caught on the counter a couple of times, we were saved through some fantastic running by the boys in defence, as well as a couple of great saves by Ethan in goal managed to keep the score at 1-1.

Code of conduct

Players

- Play by the rules and in a spirit of good sportsmanship
- Play for the “fun of it” and not just to please parents and coaches.
- Control your temper. Verbal abuse of officials or other players, deliberately fouling or provoking an opponent, and throwing equipment are neither acceptable nor permitted in any sport.
- Work hard both for yourself and your team. Your team’s performance will benefit, so will you.
- Treat all players as you would like to be treated. Do not interfere with, bully or take unfair advantage of another player.
- Co-operate with your coach, team mates and opponents. Without them there would be no game.

In the event of a player, or athlete being sent-off during a CAS fixture, it is the responsibility of that boy’s Headmaster at his discretion to determine the penalty. It is generally understood among Headmasters, however, that the boy will serve at least one week’s suspension from participating in the CAS competition.

Parents

- Focus upon the boy’s efforts and performance rather than the overall outcome of the game. This assists the boy in setting realistic goals related to his ability by reducing emphasis on winning.
- Teach your son that an honest effort is as important as victory, so that the result of the game is accepted without undue disappointment.
- Encourage your always to play according to the rules of the game.
- Never ridicule or yell at your son or another boy for making a mistake or losing a game.
- Remember boys are involved in organised sports for their benefit and enjoyment, not yours.
- Remember that children learn best from example. Applaud good play by both teams.
- If you disagree with an official, raise the issue through the appropriate channels rather than question the official’s judgement and honesty in public. Remember most officials give their time and effort voluntarily for your son’s benefit.

- Support all efforts to remove verbal and physical abuse from sporting activities.
- Recognise the value and importance of coaches. They give of their time and resources to provide recreational activities for your son and other boys and deserve your support.

Spectators

- We encourage boys to support their school teams and to be dressed in the school’s uniform while doing so.
- We expect barracking to be enthusiastic but not to be fanatical or designed to heckle or belittle or disturb the opponents. For example, barracking, for or against, during a kick at goal is always bad sportsmanship. Boys should be encouraged to barrack for their school rather than for an individual team member. Booing, whistling, playing or beating musical instruments are in bad taste and wholly unacceptable.
- Vocal support for any team should never encourage violence or rough or illegal play.
- Encroaching onto the field of play, the shouting out of suggestions for players, referees or umpires to hear are not allowed.
- It is never acceptable to express disapproval of a referee’s or umpire’s decision – no matter whether the referee be adult or schoolboy.
- There is a complete ban on all alcoholic drinks at grounds where games between Associated Schools’ teams are being played.
- We expect our players to be modest in success and generous in defeat, not showing in either case undue emotion. Good play, by our own school and by the opposing school, should be applauded willingly and openly.
- At all times spectators should leave the area tidy and free of rubbish when they leave.
- We look to adults (parents, Old Boys and other spectators) to set an example by their self-control at matches.

Point of Contact

The Team Manager is a Cranbrook teacher and they should always be your first point of contact. Should you require further assistance after speaking with your Team Manager, then you should contact the Head of Football.

TEAM	COACH	MANAGER	EMAIL

CFC Committee Members

Looking for more parent involvement!!

Each month a group of parents meet to discuss ways in which the Cranbrook Football Supporters Club can assist the school in growing the sport. No need to have any football knowledge or experience, just a love of Cranbrook and a desire to get involved.

Email Michael Swibel at
MSwibel@scentregroup.com

Training & Fixtures Cancellations

On days where there is poor weather, please call the Senior School wet weather line on 9294 5089.

You will hear a recorded message that will tell you if training or a particular fixture is on or off.

For Saturday sport, the wet weather line is first updated by 7am.

If further fixtures are cancelled then the recorded message is updated at 11am.

For before or after school training the wet weather line will be updated by 6am for morning training sessions and by 2pm for after school training.

All efforts will be made to find alternate arrangements in case of inclement weather.

Congratulations

Congratulations to Mr Michael Swibel (President of the Cranbrook Football Committee and father of Jordi 11WD) for his role as Team Manager of the Sydney FC side that played Tottenham Hotspur FC and Chelsea FC in the recent friendly matches at Stadium Australia.

Michael with the Captain of Chelsea FC – John Terry
