

MATCH REPORTS

1st XI vs Barker

Day 1: Cranbrook 186 Barker 1/47

DAY 2: Cranbrook 186 (P.Parras 44, F.Stenmark 43)

Defeated

Barker 170 (C.Crammond 4/39, A.Hayward 4/60)

The Hordern Pitch was in remarkably good condition considering the week of rain Sydney endured as Cranbrook looked to continue the perfect start to the season. Angus Hayward and Charlie Crammond bowled particularly well early on, continuously beating the bat and having the strong Barker top order in trouble. It was a slow first session and the Boys from Hornsby went into lunch with the slight advantage at 3/99.

Without the injured Finbarr Stenmark, Cranbrook needed another man to lead the attack and it was Crammond who took 3/0 in one over after the break to have Barker in all sorts of trouble. Angus Hayward toiled hard despite fighting cramps into the afternoon session with some crucial wickets. Barker kept edging closer but the final wicket was taken with 16 runs still left to play with. Nick

Rael took two spectacular catches throughout the day as well which were vital to the final result. The crowd had swelled throughout the afternoon including Cranbrook Old Boy and Australian Test Cricketer Ed Cowan who enjoyed the victory.

It was a superb win that wasn't easy which a great sign for this team. The 1st XI kicked off their T20 campaign on Tuesday with another win against Trinity at home before heading to St. Aloysius' to continue building on a promising start in the Archer Shield.

Cowan Points:

3 - C Crammond

2 - A Hayward

1 - P Parras

Cranbrook's best ever cricketer, Ed Cowan was on hand last Saturday to watch the 1st XI win a close one against Barker at Hordern.

2nd XI vs Barker at Barker Main Oval

Barker 5/153 Dec (Lim 2/16, Parker 2/45) defeated Cranbrook 57 & 83 (Lewis 21, Lim 19, Hughes 15, Parker 14)

The goal for day 2 in the 2 XI was to show some more fight and effort in our performance than the previous week and even though we still got beat there was improvement in both of those departments. Having been sent back in 96 runs behind Barkers 1st innings score the assignment was simple bat the day out. Unfortunately we fell short by 7 deliveries. After losing wickets early skipper Eddie Lewis and Oscar Lim battled hard and with 45 minutes to go things were on track but within the space of 10 minutes things fell apart and we were bowled out. Hopefully the lads will learn something from this game. There is plenty to work on and will need to train and prepare well to be any chance of testing these top sides.

Cowan Points

- 3 - Lim
- 2 - Lewis
- 1 - Parker

3rd XI vs Barker

Cranbrook was easily defeated by a very powerful Barker team.

The team was 5 for 3 runs until a partnership of 38 between Maxim Wolfensberger (15) and Sam Finlayson (23) brought some respectability to the total. Maxim and Sam both played some delightful shots. The team were bowled out for 52. Barker's first 4 bowlers appeared to be playing in a grade well below their capabilities.

Barker reached the total in 7 overs. Linden Norton captured the only wicket with some good line and length bowling.

There is much work to be done but the team is ready for that challenge.

Cowan Points

- 3 - Sam Finlayson
- 2 - Maxim Wolfensberger
- 1 - Linden Norton

4th XI vs Barker at Dangar

A nice and sunny Saturday afternoon saw the 4thXI looking to start their winning streak for the season. Electing to field first, the boys looked dominant in the first few overs with early wickets falling. This trend continued throughout the match and in an exceptional display of bowling and fielding the boys managed to bowl Barker out for a meagre 22. With a very small total to reach, the boys were able to tear up the Barker bowling attack and reach the total within the first few overs. Full credit to the boys, they were exceptionally dominant with both the ball and bat and i'm looking forward to seeing what the season holds for this team.

Cranbrook 3-25 (Doyle 12*) defeated Barker 22 (Searl 2-1, Busted 2-1)

Cowan points

- 3 - Darcy Searl
- 2 - Harry Doyle
- 1 - Harrison Twomey

10A vs Barker at Barker Main Oval

Barker 4/274 Dec. (46 overs)

Cranbrook 42 (17 overs) & 97 (39 overs)

Starting the day at 1/30, Cranbrook had the whole day to show some determination and chase down Barkers total of 274.

Unfortunately, runs were difficult to come by and wickets fell rapidly, Barker showing just how easy it is to take wickets when the batsmen don't move their feet. As a result, 9 wickets fell with only 12 runs scored with J Vicars high scoring, with half the teams runs (22). Cranbrook were bowled out for 42, and unfortunately most of the highlights were from the opposition, R Singh from Barker getting 5 wickets in 6 balls.

After much soul searching in the change room, Cranbrook came out and batted a lot better in their second innings after they

THURSDAY 29 OCTOBER 2015

TERM 4 WEEK 3

were sent back into bat. M Gerlach looked much better with the bat scoring 12 runs and a fantastic dig by E Green to score 51. Unfortunately with 30 minutes to go in the game, Cranbrook were eventually bowled out for 97, losing by an innings and 133 runs. This was an exceptionally poor day of cricket by the 10A's and will need to improve this week against St Aloysius to avoid further embarrassment.

As a team we have realised how punctuality, attitude to warmup/ training, and having pride in the way we wear our uniform can impact our result on Saturday. We are looking forward to the challenges that will be presented next week.

Cowan Points

3 - Elias Green
2 - A Buchan
1 - J Vicars

8A vs Barker at Rosewood

Saturday's game saw the 8A's travel to Barker College for a game that the boys informed me would be a difficult one.

Captain Alex Van Vugt won the toss and we elected to bat. History repeated itself two weeks in row with the Cranbrook team losing early wickets. Van Vugt was the main stay of the innings with a well compiled score. Unfortunately none of his team mates could stick around with the team losing wickets at regular intervals which resulted in a below par score for the second week in a row. Stating the obvious, we needed to bowl well to have any chance of being competitive in this game.

Van Vugt opened with Yianni Theo who bowled with good wheels. He then decided to change things up a little and bowl left arm finger spinner Xander Schwarz.... And what a great decision it was! Xander snared a wicket in his first over, bowling the batsman around his legs – a brilliant delivery! The wickets kept falling and at one stage Barker were 3 for 1. Unfortunately their middle order consolidated to get them, back on track. Our bowling wasn't bad but our inability to cut off singles, back up in the field and hold our catches meant that the pressure on the opposition wasn't good enough.

Once we broke the Barker middle order partnership wickets again fell consistently but it was too little too late with Barker passing our score with one wicket in hand.

Unfortunately, there is too much reliance on a group of three or four players and when they don't perform (which they can't possibly do every week), the rest of the players are unable to stand up. As a group, we need to make sure that we take training seriously, try and learn something every session but most of all, when we are batting, we must value our wickets and never give up.

The better players for the day were Van Vugt (batting and bowling), Xander Schwarz (bowling) and leggie Chris Lakis who bowled very well without any luck at all.

Cowan Points

3 - Alex Van Vugt
2 - Xander Schwarz
1 - Chris Lakis

Cranbrook Internal T20 – Year 8 and 9

Cranbrook Barbarians (6/118) def. Cranbrook 8B (7/86).

Following their comprehensive victory away at Waverley last weekend, the boys were keen to press on against Barker. Unfortunately rain throughout the week forced the cancellation of the match. Instead the 8Bs took on a composite Cranbrook Year 9 team in a 9-a-side fixture. The Barbarians batted first, compiling 118 of their 20 overs thanks to big hitting from Halliday, Taylor, McLean and Woods. The 8s were strong in the field and took their catches well. Ned Henderson and Sam Cahill bowled well, while Hugo Panizza continues to improve every week. In reply, the 8Bs managed 7/86, with the faster and more accurate bowling of the Year 9s the difference between the two teams. Nonetheless, the team rose to the challenge and will take a lot away from the match.

Cowan Points

3 - Noah McLean
2 - Sam Cahill
1 - Ethan Harris

JUNIOR SCHOOL RESULTS

6A

BYE

6B vs Mosman Prep

The 6B's headed across the bridge to try and notch up their second win of the season. On a narrow pitch we were sent in to bat first and we looked to begin positively with Joey Harnett (17) looking strong after the first few overs. Some poor shot selection however saw wickets fall cheaply and Cranbrook only able to manage a total of 89. Knowing we needed to bowl tightly the boys started well with Sam Logan and Harry Kirton ending with good figures of 1-4 and 0-4 respectively. Unfortunately the uncommonly narrow pitch began to trouble the minds of our bowlers with sundries beginning to add up. We were unable to keep Mosman under our total but the boys are keen for a big week of training and take on Barker net week.

Cranbrook 80 (Logan 18, Harnett 17) lost to Mosman 6-92 (Logan 1-4, Kay-Hoyle 1-15)

5A vs Knox

On Saturday, the Cranbrook 5As travelled to heavyweights Knox. On a very patchy and dewy Ireland Field, fielding was always going to be difficult early, and crucially Knox won the toss and elected to bat first. Almost inevitably, balls bobbled and skidded through Cranbrook fingers in the difficult conditions as we leaked vital runs in the field. This was compounded by some extremely damaging batting from what was a powerful Knox batting line-up, and despite an improved focus after the drinks break, the 5As were set an imposing 159 runs for victory in their 25 overs. We emphasised effective running between wickets as being the key to winning the match, and so it proved throughout our innings. Immediately our openers Walsh (18) and Plunkett (41*) put pressure on their fielders, and combined with some lusty hitting, this meant a great start for Cranbrook. Quick wickets fell after the opening partnership was broken, before a revival was brought about in the form of a partnership between Masnick (20) and Chow (28), whose innings contained some of the classiest shots of the season so far. Unfortunately, a near perfect batting performance from Cranbrook couldn't quite make up for errors in the field, as late wickets meant we fell a cruel 9 runs short of a total that looked ours until deep into the innings. Nonetheless, it was a very positive display overall from the 5As, who can be very optimistic for the rest of the season.

5B vs Knox

The 5Bs were eager to improve their last week's result against Barker knowing the task wouldn't get any easier against a well-drilled Knox outfit. Knox won the toss and elected to bat on a small ground that meant good bowling and fielding were imperative to be competitive. Some inconsistent fielding led Knox to get off to a good start only being 2 wickets down by the end of the first half of play. The Cranbrook boys bowled quite a few sundries which led to the total

being higher than what it should have been. Despite this, some tight bowling in the last 5 overs restricted Knox to a score of 152, one that would require some chasing by Cranbrook. At the close of the innings Sam Conrad, Jasper Hemmes Angelucci and Harry Pemberton all finished with a wicket and some economical bowling by Ashley Collins kept the game within reach.

The boys knew getting off to a good start was paramount however Sam Conrad was dismissed in the first over and the boys found scoring to be quite difficult in the first half of their run chase. However keeper batsman Will Kelly showed terrific application with the bat making 15 and some late order hitting by Harry Pemberton made an excellent 20 not out and was well supported by Saul Galambos running very well between the wickets. Despite improvement in the second half of the run chase the boys fell short of the target ending up with a score of 6/92.

Score Summary

Knox 4/152 off 25 overs
Harry Pemberton 1/8 off 2 overs
Jasper Hemmes Angelucci 1/8 off 2 overs
Will Kelly 0/7 off 2 overs
Ashley Collins 0/11 off 3 overs
Cranbrook 6/92 off 25 overs
Harry Pemberton 20 not out
Will Kelly 15
Saul Galambos 7 not out

SHOT!! Our Year 3 skills program is flying with the boys participating in some quality skills training at Dangar every week.

4A vs Barker

Cranbrook U10A 111-5, Barker 60-7

The Cranbrook boys are beginning to play intelligent 25 over cricket. They are taking their singles well and playing with an element of risk which is often required to win these matches. Barker were unable to respond with any effectiveness to Cranbrook's 111 as the bowlers hurtled down straight balls, one after the other. The visitors were forced to defend their wickets and some promising fielding from the Cranbrook boys saw the home team finish the morning on a high.

4B vs Santa Sabina

The U10 B team this Saturday celebrated a very decisive victory against the Santa Sabina team on Saturday morning. With great improvement shown across most areas of the game. Wicket maiden overs to Harrison Gray, Nick Renwood and George Perkins helped to restrict the visitors to a total of 42. With the run chase well in hand, the players were able to work on the finer points of the game such as their calling and backing up, with both of these aspects of the game still showing room for improvement. Top scorers Jack Bugden and Harrison Gray (both 10 n.o.) helped to ensure that the U10 boys reached their total with more than 10 overs remaining. A wonderful way to celebrate the first win of the season.

TWO DAY CRICKET - 31 OCTOBER & 7 NOVEMBER
